

The chiral phase transition for different numbers of quark flavours

понедельник, 8 ноября 2021 г. 17:00 (30)

The chiral phase transition for different numbers of quark flavours

Primary author(s) : Prof. PHILIPSEN, Owe (Goethe University Frankfurt)

Presenter(s) : Prof. PHILIPSEN, Owe (Goethe University Frankfurt)

Session Classification : Evening session 2

Track Classification : Quark-Gluon Matter at Finite Densities and Temperatures
