

# XXXV International Workshop on High Energy Physics "From Quarks to Galaxies: Elucidating Dark Sides"

Contribution ID : 41

Type : **not specified**

## Top quark physics

*четверг, 30 ноября 2023 г. 12:55 (30)*

The current state of top quark physics is considered. The main experimental results obtained at the Large Hadron Collider (LHC) are summarized.

**Presenter(s)** : SLABOSPITSKY, Sergey (NRC KI - Logunov IHEP, Protvino)

**Session Classification** : Morning session 30/11/2023

**Track Classification** : Particle Physics: Experiment and Phenomenology
