

XXXV International Workshop on High Energy Physics "From Quarks to Galaxies: Elucidating Dark Sides"

Wednesday 29 November 2023

Morning session 29/11/2023: Chairpersons: Alexandre Kisselev (9:00-13:05)

time	[id] title	presenter
9:00	[27] Theory of the deconfinement process in QCD	Mr KHAIDUKOV, Zakhar
9:45	[28] Results on hadronic flux tube from lattice QCD	BORNYAKOV, Vitaly
10:30	Coffee break	
10:50	[29] The state-of-the-art covariant tetraquark equations	Dr KVINIKHIDZE, Alexander
11:35	[30] Estimation of the hadron contribution to $g\mu-2$ using the IHEP total cross section database	Dr ZENIN, Oleg
12:20	[31] Overview of recent ALICE results	Dr KRYSHEN, Evgeny
