

XXXV International Workshop on High Energy Physics "From Quarks to Galaxies: Elucidating Dark Sides"

Wednesday 29 November 2023

Afternoon session 29/11/2023: Chairpersons: Vitaly Bornyakov (14:05-18:45)

time	[id] title	presenter
14:05	[32] Odderon-exchange: observations and properties	Prof. CSÖRGŐ, Tamás
14:50	[7] Recent LHCb results on heavy hadron spectroscopy	Mr PEREIMA, Dmitrii
15:35	[33] Recent results on kaon physics from the OKA experimen	OBRAZTSOV, Vladimir
16:20	Coffee break	
16:40	[34] New result from the NA64 experiment	Dr KIRSANOV, Mikhail
17:25	[35] General discussion - 3
