## **Chiral symmetry breaking in (2+1)-dimensional Gross-Neveu model with Zeeman interaction with external tilted magnetic field**

*Thursday, 7 November 2013 16:50 (10)*

### **Summary**

**Presenter(s)** : Мг ЖОХОВ, Роман (Институт физики высоких энергий)

**Session Classification** : Секция 5. Теория: BSM, QCD
