

XXXVIII International Workshop on High Energy Physics and Field Theory “Current issues in gravitation and cosmology”

вторник, 24 ноября 2026 г. - четверг, 26 ноября 2026 г.

Scientific Program

General relativity, generalizations and alternatives

General relativity

Generalizations of "General Relativity"

Alternatives

Black holes. Gravitational waves

Black holes

Gravitational waves

Higher spins and gravitation

Higher spins (general)

Higher spins (applications to Gravity)
